luxury living, timeless design

Contemporary living is at the heart of our approach to sophisticated bathroom concepts, and **BIJOU** is a collection entirely inspired by modern people. This is the ultimate combination of elegance and innovation, setting new standards in durable quality and celebrating individual vision and choice through a wide range of styles and designs. We are proud to bring you **BIJOU** – contemporary classism in your home.

care and maintenance

All of our products are stain resistant as well as our sanitary ware is resilient to micro-organism and bacterial growth, allowing for simple care and maintenance. Wipe with liquid detergent or multipurpose cleaner. Any product will be damaged by aggressive chemicals such as trichloroethane or methylene chloride as found in paint stripper. Do not use highly abrasive sponges or cleaning products containing scouring granules. Enjoy luxury made simple.
